Commissioner for Patents

October 28, 2003
The reply filed on ~~November 14, 2003~~ is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant has not filed any amendment or arguments directed towards the outstanding Office action. Because of this, the time limit to respond to the outstanding Office action is still running against the applicant. The filing of a petition and its decision does not negate the requirement of the applicant to file a timely written response to the outstanding Office action nor does it stop the clock for response. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)
